

ABC ALPHA BATTLE CARRIER

RAPID DEPLOYMENT PACK OWNER'S MANUAL

RIGHT HANDED USERS - QUICK PULL AND DEPLOYMENT SETUP

Open the barrel pocket and insert the barrel with the rifle orientated as shown above.

Secure the hook-and-loop strap onto the corresponding patch opposite of the barrel pocket and then to the stock itself.

Install the quick pull tab as shown above on the underside of the pack's cover in the corner opposite of the pack's spine.

Zip the pack close with the quick pull tab sticking out. Make adjustments to the shoulder strap positioning as needed.

RIGHT HANDED USERS - UNDER ARM DEPLOYMENT

Grab the bottom of the shoulder strap with your left hand and pull the pack forward from behind the waist.

With the pack in front of you and across the chest, grab the pack's carry handle with your right hand to secure the pack and aggressively pull the quick pull tab outward with your left.

Once the pack is opened, grip the rifle safely and pull it out of the pack.

LEFT HANDED USERS - QUICK PULL AND DEPLOYMENT SETUP

Open the barrel pocket and insert the barrel with the rifle orientated as shown above.

Secure the hook-and-loop strap onto the corresponding patch opposite of the barrel pocket and then to the stock itself.

Install the quick pull tab as shown above on the underside of the pack's cover in the corner closest to the pack's spine.

Zip the pack close with the quick pull tab sticking out. Make adjustments to the shoulder strap positioning as needed.

LEFT HANDED USERS - UNDER ARM DEPLOYMENT

Grab the bottom of the shoulder strap with your right hand and pull the pack forward from behind the waist.

With the pack in front of you and across the chest, grab the pack's carry handle with your left hand to secure the pack and aggressively pull the quick pull tab outward with your right.

Once the pack is opened, grip the rifle safely and pull it out of the pack.
